RE: New Trash Company

Dear Residents:

Great News! We have just completed a new three year service contract with Patriot Disposal Inc. Under this contract there is better service with a lower price.

Under the terms of the new contract each Single Family residence will be receiving one 96-gallon wheeled trash container (toter) and one 64-gallon wheeled recycling container (toter). Each townhouse will be receiving one hand held recycling bin. Each townhouse residence has the opportunity to rent a toter through Patriot directly for a one time fee of \$25.00. The option is available for a 96-gallon or a 64-gallon toter.

The service days will remain unchanged:

Tuesday – Household trash and Recycling. Recycling is defined as newspaper, mixed paper, cardboard, glass and metal food and beverage containers, plastic bottles, jugs and containers.

Wednesday – Yard debris; Hedge and tree trimmings **MUST** be less than 4-inches in diameter, cut into 4-foot lengths, and tied in small bundles or bagged.

Friday – Household trash and special item pick up. Special items **MUST** be called in to Patriot prior to the pick up date. Up to two special items per residence will be collected at no additional charge.

Delivery of the 96-gallon toters for the single family homes and the recycling bins for the townhouses are slated for Wednesday March 31, 2010. The 64-gallon recycling toters for the single family homes will be delivered closer to the middle of April. We are asking that recycling continue through this time. Please clearly mark which bags are to be recycled until the toters arrive. We will notify of the date as soon as possible.

Thank you for your patience. Should you have any questions or concerns please contact the office.

Sincerely,

Compton Village HOA
